

City of Ryde Art Society Inc.

2 Day Workshop Watercolour Miniatures with

Madeleine Szymanski

Saturday 10th & Sunday 11th April 2010

Try using your skills on a different scale. Allow yourself to be drawn into the concentrated gem-like world of the miniature, where small is beautiful.

Investigate different techniques using watercolour and let your imagination take hold as you interpret your favorite subjects in a smaller format..

Students should have some experience with watercolour
